Household Hazardous Waste Event – October 13th

New Braunfels, TX – On Saturday, October 13th, from 8:00 a.m. to 12:00 p.m., the City of New Braunfels and Comal County will host a household hazardous waste event at 550 Landa Street, in the parking lot at City Hall. Participants must enter the parking lot from Laurel Lane. The line begins at the entrance on the Laurel Lane side of the parking lot, queues up Laurel Lane, and then goes left on Wood Road toward Clearfield Drive.

The event is open to all City of New Braunfels and Comal County residents. Citizens must bring a state-issued photo I.D. with current address to verify residency. The last car in line at noon will be the last assisted.

Participants should not mix any items and transport them only in the car trunk or truck bed. When possible, items should be in their original, properly sealed, and labeled containers. The size of individual containers cannot exceed five gallons for liquid wastes. Trailer loads will not be accepted in order to keep wait times to a minimum.

Not all items are accepted. Prohibited items include: ammunition, explosives, flares, fireworks, compressed natural gas cylinders, medical waste, pharmaceuticals, radioactive materials, commercial waste, tires, trash, and electronics.

City residents can call (830) 221-4040, or visit the City's website at www.nbtexas.org/hhw, for more information about accepted items and the event.

To receive notifications about special collection events, download the free Recycle Coach smartphone app from the Apple or Android stores. Residents can also sign up for the Keep Me Informed feature on the City's website by entering contact information and choosing the Solid Waste and Recycling list.
