Comal ISD's Chef Mario leads Safe Holiday Cooking at Westside Community Center

New Braunfels, TX — With the holiday season on the horizon, Comal Independent School District's Chef Mario Perez will be returning to Westside Community Center to lead the Safe Holiday Cooking program on Saturday, November 17th, from 11:30 a.m. to 1:00 p.m.

Chef Mario will demonstrate techniques for preparing and deboning a turkey and will make gravy, dressing, and cranberry sauce from scratch. Program attendees will get the chance to sample the dishes and learn how to avoid food-borne illnesses during the holiday season.

Attendees will also have the chance to win a free turkey.

"Chef Mario's programs are always fun and educational," said Public Service Librarian Alix Samuels. "We're excited to have him lead this event again, which will surely provide participants with useful tips and techniques for cooking over the holidays."

The program will take place in the lunch room at the Westside Community Center, located at 2932 S. IH-35 Frontage Road in New Braunfels. Safe Holiday Cooking is free to attend; however, space is limited for this program. Registration can be completed online at <https://nbtexas.libcal.com/event/4319077> or by calling the Westside Community Center at 830-221-4301.

For questions about Safe Holiday Cooking, or other library programs, call the Westside Community Center's office at 830-221-4630 or the New Braunfels Public Library at 830-221-4300.
