2019 Box Fan Drive Kickoff

New Braunfels, Texas — The New Braunfels Professional Firefighter’s Association’s is kicking off their Annual Fan Drive June 11th through July 1st. The donated fans will be distributed to those in the community who need help dealing with the extreme summer heat.

“We invite everyone to leave a fan directly with us at Lowe’s, from 8:00 a.m. to noon, on Saturday, June 22nd, and support this great cause,” New Braunfels Fire Engineer Brandon Appleby said. “Or you can always bring a fan to one the drop-off locations.

Donors are asked to bring new, in-the-box fans to any of the following locations:

- Any New Braunfels Fire Station
- Fire Administration (City Hall - 550 Landa Street)
- Municipal Building (424 S. Castell Ave.)

“This is an easy, effective way for people to help their neighbors live more safely and comfortably,” said Appleby. “As firefighters and paramedics, we see firsthand the dangers some of our residents face during the intense heat of the summer months, so we’re dedicated to this project and happy to open up our stations to accept fan donations.”
