Barbarosa Road/Saur Lane Public Meeting

New Braunfels, Texas —The City of New Braunfels is inviting the public to attend a community meeting regarding the Barbarosa Road/Saur Lane Preliminary Engineering Report (PER) Project. The meeting will be held on Tuesday, March 17th, from 5:30 p.m. to 7:00 p.m., at the New Braunfels Regional Airport, 2333 FM 758.

On Monday, October 28, 2019, City Council approved a contract with Moeller & Associates Engineering Solutions to perform a PER for Barbarosa Road/Saur Lane. The PER will help the City in identifying project feasibility for roadway widening, drainage and potential realignment options for Saur Lane.

This meeting will provide the community with an opportunity to hear what the project could entail and provide their input and feedback. All interested individuals, organizations and businesses from New Braunfels and the surrounding area are welcome to attend, learn about this project.
