Green Waste Bags Station Update

New Braunfels, TX – As of June 13th, McKenna Gym at McKenna Events Center will no longer be a pick-up location for residents to get City-provided Green Waste paper bags. The facility is undergoing some changes that make hosting the bag station unfeasible.

These bags are provided as part of the residential curbside collection program for leaves and plant trimmings, called Green Waste. The bags are collected on the same day as recycling collection.

Green Waste bags are available at the following locations during operating hours:

- City Recycle Center - 488 S. Castell Avenue
- City Library - 700 E. Common Street
- City Hall 550 - Landa Street
- Landa Recreation Center – 164 Landa Park Drive (Labor Day to Memorial Day only)

For more information on the Green Waste program, visit www.nbtexas.org/greenwaste or call the City's Solid Waste and Recycling Division at (830) 221-4040.
