## **Common Street Road Improvements Project Scheduled**

**New Braunfels, Texas** – The City of New Braunfels has announced that Common Street, between Gruene Road and Sundance Parkway, will be under construction starting Thursday, November 7, 2019 and ending in April 2020, weather and other factors permitting.

Beginning November 7<sup>th</sup>, traffic will be shifted in various locations between Gruene Road to Sundance Parkway. In the areas of shifted traffic, the protected turn lane will be used as a travel lane, resulting in an unprotected left turn where construction is taking place. Work and lane shifts will take place between 9:00 a.m. and 3:00 p.m., with all lanes being re-opened after these work hours.

The project will include pedestrian improvements at the intersection of Gruene Road and Common Street, as well as repairs to travel lanes and added sidewalks. The rehabilitation of Common Street is part of the 2013 Bond Citywide Streets Improvement Program.

For additional information contact Assistant Capital Project Manager Charlie Blue at 830-221-4644.
