

Dear Counselor In Training Applicant:

Thank-you for your interest in being a part of our Camp Minnehaha summer program. We are so excited about our upcoming summer and are looking forward to it being fun and successful! Our Counselors In Training (CIT's) are an intricate part of making our summer both successful and fun. As a CIT you would assist our counselors in all aspects of our camp program. CIT's assist in the set-up and clean-up of activities and events, they assist with the implementation of programs and events, and assist the counselors in supporting our campers throughout the day. The CIT program is a great way for young adults to gain important job training skills that will later benefit them in the workforce.

Our CIT program is not all work; it's a lot of fun! CIT's will work closely with other CIT's their age and participate in our exciting programs and events while exercising their leadership abilities. CIT's will enjoy many of the same luxuries as our campers, like swimming in the pool, mini golf, arts and crafts, sports and games and paddle boats to name a few. CIT's will also participate in a weekly planning session with the Camp Coordinator to discuss activity and program ideas for the following week.

The CIT program is open to young adults ages 13-15, and is perfect for that Camp Minnehaha Camper that has aged out of the program. Once a CIT has applied and been selected, they will receive a schedule with which weeks they have been selected for. You are not guaranteed to be selected for every week you pick as some weeks are more popular than others and we have limited spots per week. We require all CIT's to attend a CIT orientation before they attend Camp. Thank-you again for considering the Camp Minnehaha CIT Program in your summer plans. If you have any additional questions about the program or the application/interview process you may contact the Landa Recreation Center at 830-221-4370.
